5. PERFORMANCE MEASUREMENT (Appendix A)

The council must institute the necessary mechanisms to set and measure performance against targets with regard to debt collection, customer care and administrative performance, and take corrective steps in order to promote credit control and debt collection.

5.1 Income Collection Targets:-

The council must set targets that include the following:

- (a) The council wants to collect all monies owed to the municipality. The council is aiming to achieve a 95% collection in the 2018/2019 financial year.

5.2 Customer Care Targets:-

The council must set targets that include the following:

- (a) response times with regard to enquiries by clients;
- (b) the date on which the first account must be rendered to customers;
- (c) the time frame for the reconnection of services; and

- (d) The meter reading cycle.

5.3 Administrative Performance:-

The council must set targets that include the following:

- (a) cost effectiveness of debt collection;
- (b) enquiry and appeal procedures; and
- (c) Implementation mechanism relationships.

6. REPORTING

- 6.1 The Chief Financial Officer must report on a monthly basis and appropriate format to the Municipal Manager in order to allow the latter to report to the Executive Mayor in terms of section 99 of the Act, read with section 100 (c). This report must include:
 - 6.1.1 Statistics with regard to high-level debt collection (number of clients, enquiries, default arrangements, increase or decline in outstanding debtors). Where possible the statistics must be divided according to wards, businesses (trade and industry), household, government, institutional and any other divisions; and
 - 6.1.2 Performance in all areas against the targets / goals agreed upon in terms of paragraph 5 of this document.
- 6.2 Should the council in the opinion of the Chief Financial Officer not receive income equivalent to the income projected in the annual budget as approved by the council, the Chief Financial Officer will report this with motivation to the Municipal Manager in terms of section 28(2)(a) of the Municipal Finance Management Act as amended. The Municipal Manager will concur with the Chief Financial Officer and immediately request that the budget be adjusted to realistically attainable income levels (realistic anticipated revenue).
- 6.3 The Executive Mayor must report to the council on a quarterly basis as stipulated in section 99(c) of the Act.

7. CUSTOMER CARE POLICY

7.1 Aim

To focus on the needs of the consumer in an accountable and pro-active manner, to improve the payment of service fees and to establish a positive and cooperative relationship between the persons responsible for payment for services and the municipality and, where applicable, the service provider.

7.2 Communication and feedback

7.2.1 The municipality must, within its financial and administrative capacity, undertake a process to compile a budget, which include the targets for credit control and debt collection and communicate these targets to the broader community;

7.2.2 The council's policy with regard to Customer Care, Credit Control and Debt Collection, or appropriate extracts thereof, must be available in English, Afrikaans and Xhosa, must be available via general publication and on specific request, and must be kept at municipal offices for inspection;

7.2.3 The council must endeavour to release a regular newsletter focusing on customer care and debt collection matters;

7.2.4 The Ward Councillors must hold regular ward meetings during which emphasis must be placed on customer care and debt collection matters; and

7.2.5 The press must be motivated to provide prominent coverage of council matters with regard to customer care, credit control and debt collection, and must be invited to attend council and committee meetings where such matters are discussed.

7.3 Metering system

- 7.3.1 The municipality must endeavour to, within practical and financial limits provide meters for all measurable services to each paying consumer;
- 7.3.2 If possible, all meters must be read on a monthly basis. Should the meter not be read on a monthly basis, the council may estimate consumption in terms of the council's operational policy;
- 7.3.3 Consumers are entitled to submit enquiries with regard to the confirmation of meter readings and are entitled to meter readings which is as accurate as can reasonably be expected, but can be held liable for the costs thereof;
- 7.3.4 Consumers will be informed of the replacement of meters; and
- 7.3.5 Where a meter has been installed for a service, but cannot be read due to financial or manpower limitations, or due to circumstances outside the control of the municipality or its legal agent, and the consumer's account is calculated on average consumption, the account that follows on the reading of metered consumption must reflect the difference between actual consumption and average consumption, and the resulting credit-or debit adjustments.

7.4 Accounts and invoices

- 7.4.1 Consumers will receive from the municipality an understandable and accurate account that consolidates all service fees for the property;
- 7.4.2 Accounts will be drawn up in accordance with the meter reading cycle, and payment dates will be matched with the date of the invoice;
- 7.4.3 Accounts will be sent monthly in cycles of approximately 35 days to the most recent address recorded at the municipality or its legal agent;
- 7.4.4 It is the responsibility of the consumer to ensure that his/her postal address and other contact details are correct;
- 7.4.5 In cases where accounts are not received, the responsibility to pay the account timeously resides with the consumer;
- 7.4.6 The payment date is reflected on the account and under normal circumstances is as follows:

- (a) monthly accounts are payable before or on the 15th day, or the first subsequent work day should it fall on a weekend or public holiday, of the month that follows on the month in terms of which the account is rendered;
- (b) Yearly accounts are payable within a time frame of three **(3)** months from the date on which such fees became due and payable; and
- (c) Accounts of councillors and employees are deducted from their salaries / allowances.

7.4.7 Should an account not be paid in full, no smaller payment offered and accepted will be regarded as the final payment of the applicable account;

7.4.8 Where any payment to the municipality or its legal agent by means of transferable instrument is rejected by the bank:

- (a) The municipality or its legal agent may recuperate the average bank costs incurred with regard to the rejected transferable instrument from the account of the consumer;
- (b) the municipality or its legal agent must regard it as non-payment and services will only be reconnected upon receipt of cash or a bank guaranteed cheque; and
- (c) The municipality or its legal agent may insist on cash payment with regard to all future accounts.

7.4.9 The municipality or its legal agent must, where requested and administratively possible, issue the consumer with a duplicate account or any acceptable alternative at costs determined by the council from time to time.

7.4.10 If an account is not paid by the due date interest will be charged one month from Billing date. Interest will be equivalent to a full month from this date for each month, or part thereof that the account is overdue.

7.4.11 The municipality supports the principle of a consolidated account and reserve the right to disconnect/restrict/block any service with regards to non-payment of the consolidated account.

7.5 Payment facilities and methods

- 7.5.1 The municipality must administer and maintain appropriate bank-and cash facilities that must be accessible to clients;
- 7.5.2 The municipality must at its discretion allocate a payment between service debts – a debtor in arrears may not specify that the payment must be used for a specific part of his/her account;
- 7.5.3 The municipality may, in terms of Section 103 of the Act, with the permission of the consumer, approach an employer to implement a debit-or stop order arrangement; and
- 7.5.4 The consumer must acknowledge in all consumer agreements that the use of consumer agents in the transfer of payments to the municipality will occur at the risk of the consumer. This is applicable also to the time of transfer of payment.
- 7.5.5 Debtors who pay the account by means of a credit card transaction, and where the value of the payment is R 5 000 or more, or an amount as determined by council when determining tariffs may be liable for the cost of the transaction as passed on to the Municipality by the Financial Institution.

7.6 Enquiries, appeals and service complaints

- 7.6.1 The council will provide the following within its financial and administrative capacity:
 - (a) a centralised complaints-/feedback office;
 - (b) a centralised database for complaints, that will make it easier to coordinate and solve complaints, and to communicate more effectively with clients;
 - (c) appropriate training for officials that deals directly with the public in order to improve communication and service delivery; and
 - (d) a communication mechanism to inform the council with regard to the implementation of the Policy with regard to Customer Care, Credit Control and Debt Collection, as well as other matters.

- 7.6.2 If a consumer is convinced that his/her account is not accurate, he/she can request that the applicable account be investigated (dispute as per 7.7.4) and, where applicable, the necessary corrections be made;
- 7.6.3 The debtor must in the meantime pay an average based on the previous 3 month's consumption if the history of the account is available. Should this history not be available, the debtor must pay, without infringing his/her rights, an estimated amount provided by the municipality before the payment date until the case is resolved;
- 7.6.4 Customers can dispute the municipal account. In order for a dispute to be registered with the Municipality, the following procedures must be followed – by the debtor:
- (a) The dispute must be submitted in writing or dictated to the official who will record it in writing and have it signed as correct. The document must then immediately be lodged with the relevant authorised official;
 - (b) No dispute will be registered verbally whether in person or over the telephone;
 - (c) The debtor must furnish full personal particulars including all their account numbers held with the Municipality, direct contact telephone numbers, fax numbers, postal and e-mail addresses and any other relevant particulars required by the Municipality;
 - (d) The full nature of the dispute must be described in the correspondence referred to the above; and
 - (e) The onus will be on the debtor to ensure that he receives a written acknowledgement of the dispute.

In order for a dispute to be registered with the Municipality, the municipality must follow the following procedures –:

- (a) All disputes received are to be recorded in a register kept for that purpose. The following information should be entered into this register, namely debtors account number; debtors name; debtors address; full particulars of the dispute; name of the official to whom the dispute is

given to investigate and resolve; actions that have, or were, taken to resolve the dispute; signature of the controlling official;

- (b) An authorised controlling official will keep custody of the register and conduct a daily or weekly check or follow-up on all disputes as yet unresolved; and
- (c) A written acknowledgement of receipt of the dispute must be provided to the debtor.

The following provisions apply to the consideration of disputes:

- (a) All disputes must be concluded by the Chief Finance Officer;
- (b) The Chief Finance Officer's decision is final and will result in the immediate implementation of any debt collection and credit control measures provided after the debtor is provided with the outcome of the dispute; and
- (c) The same debt will not again be defined as a dispute and will not be reconsidered as the subject of a dispute.

7.6.5 Lessors that fail to pay such agreed upon interim payments will be subject and part of the normal credit control and debt collection procedures;

7.6.6 A consumer may appeal against the finding of the municipality or its legal agent in terms of sub-paragraph 7.7.4; and

7.6.7 An appeal and request in terms of sub-paragraph 7.7.6 must within twenty one (21) days after notification of the findings mentioned in sub-paragraph 7.6.4 be addressed to and submitted at the municipality and must:

- (a) set out the grounds for the appeal; and
- (b) Be accompanied of any security determined for the testing of the metering device, if applicable.

7.7 Customer support programmes

7.7.1 Water leakages:-

- (a) If the leakage is at the consumer's side of the meter, the consumer will be responsible for payment of the full account;
- (b) Upon submission of sufficient proof of repair costs or sworn written affidavit regarding the repair/ repair cost the municipality may, at its own discretion, provide relief; and
- (c) It is the responsibility of the client to control and monitor his/her consumption.
