 - e) All applications and submissions to the Municipality must be accompanied by proof of ownership and transfer details of the property and a sworn statement made in front of a Commissioner of Oaths to state whether the property was acquired with the unauthorised structures and/or uses.
 - f) Occupation and zoning certificates or receipts for payment of contravention levies issued to applicants in compliance with the relevant statutory provisions will indicate conclusion of an application.
 - g) Approvals and authorisations can only be granted within the limits of the relevant statutory provisions.

Ordinary Council Meeting: 25 June 2015

- h) The Municipality may approve, conditionally approve or refuse any application.
 - i) The standard town planning application fees will apply to applicants and land owners who knowingly and/or wilfully disregarded the relevant statutes, commenced unlawful uses and erected unauthorised buildings. (NBR), Land Use Planning Ordinance (15 of 1985) (LUPO) and Spatial Land Use Management Act (SPLUMA), Various amendments & additions to NBR and more recently Energy Efficiency legislation in 2011. The latest revision/ amendment of the NBR as per the full Regulations was in 2011.

- (c) The NBR do allow for "Deemed to Satisfy", Performance Regulations and or Functional Regulations for buildings which by test of years or use of materials can be deemed to satisfy in terms of strength and structure, this practice for "functional or performance regulations" requires and rational assessment of the building by a "competent person," normally an Engineer, to undertake and to certify the building to be compliant.
- (d) Buildings older than 60 yrs. fall under National Heritage and Resources Act (25 of 1999). Applications must be submitted to Heritage Western Cape for assessment by them before Bitou can make any comment or recommendation. Compliance with heritage matters falls outside of the amnesty as Local Authorities have no jurisdiction over heritage matters.
- (e) Structures which fall under Minor Building Works as defined by NBR will be dealt with on individual basis as these may be exempt from the formalities of the NBR and may only require sketch plans for the municipality to issue a "minor building works" permit.
- (f) Land use issues must be regularised first before building plans can be submitted as plans for structures which are not consistent with the zoning cannot be approved.
- (g) The amnesty does not bind the municipality to approve any rezoning and the risk of unlawful land use remains with the owner.
- (h) Approvals and authorisations in terms of Spatial Land Use Management Act (SPLUMA) and the Land Use Planning Ordinance, 1985, Ordinance 15 of 1985 (LUPO) and the National Building Regulations and Building Standards Act, 1977, Act 103 of 1977 (NBR) are covered in this amnesty proposal.
