IMPORTANT NOTICE:
DOG LEASH REQUIREMENT DUE TO RABIES OUTBREAK

Dear Residents,

Please be advised that, due to the recent rabies outbreak in seals, all Bitou Beaches will be designated as dog-on-a-leash areas starting from 11 September 2024.

This precautionary measure is being implemented to prevent the potential spread of rabies to other animals. We kindly request that all dog owners adhere to this requirement for the safety of our community.

Thank you for your cooperation and understanding.
